Source: CMS Hospital Compare. Quality data submitted by hospitals to the Q10 Clinical Data Warehouse for inpatient charges. www.hospitalcompare.hhs.gov.

Data from: July 2004-June 2005

Footnotes:

- 1: The number of cases is too small (n < 25) for purposes of reliably predicting hospital's performance.
- 2: Measure reflects the hospital's indication that its submission was based on a sample of its relevant discharges
- 3: Rate reflects fewer than the maximum possible quarters of data for the measure.

- 4: Inaccurate information submitted and supressed for one or more quarters.
- 5: No data is available from the hospital for this measure.
- 6: 0 patients. This hospital treated patients with this condition, but no patients met the criteria for inclusion in the measure calculation.
